Reso No. 2004-_____ File No. _____

Ord No. 2004-_____

Agenda Item No.: 7
Date: June 9, 2010

TO: Honorable Mayor and Members of the City Council

FROM: Amy Shipley, Older Adult Services Manager

SUBJECT: A First Amendment to Public Service Agreement with Redwood Senior Homes and Services Elderlink for Senior Transportation

RECOMMENDATION:

It is requested that Council adopt Resolution No. 2010-84 authorizing the Mayor and City Clerk to execute a First Amendment to Public Service Agreement with Redwood Senior Homes and Services (RSHS) Elderlink, to provide transportation services for the Senior Nutrition Program for an additional year (July 1, 2010 through June 30, 2011) in the amount of \$123,700.

FISCAL ANALYSIS:

Funding for transportation services is included in the FY 2010-2011 Senior Nutrition budget in the amount of \$95,400. An additional \$28,300 available through CDBG funding, has been allocated for senior transportation. This CDBG funding is necessary in order to continue to provide the same level of service for the Senior Nutrition Program as in the previous year. In addition, the City has been awarded a nutrition grant, through the County of San Diego Aging and Independence Services, which will commence on July 1, 2010. The County has proposed a contract for FY 10-11 that will reimburse the City at the rate of \$5 per ride up to 16,500 rides, or \$82,500.

PREVIOUS ACTION:

The City Council approved the original agreement with Redwood Senior Homes and Services Elderlink by adopting Resolution 2009-89 on June 24, 2009.

BACKGROUND:

The City of Escondido has provided van service for the Nutrition Program for approximately 19 years. During the past two years, the Senior Nutrition Program has seen a steady increase in the numbers of seniors who utilize the transportation service. In FY 07-08 seniors rode the van over 12,315; In FY 08-09 they rode over 13,616 times. By the end of FY 09-10 seniors will have ridden the vans over 15,000 times. Staff attributes this steady increase in rides to the strained economy, soaring food and transportation costs, and the fact that most seniors live on limited or fixed incomes.

The transportation service offered through the Senior Nutrition Program provides Escondido seniors a means to access good nutrition, exercise, and other activities in a positive environment. As a result, these seniors are more socially connected and less isolated. Therefore, it can be said that the City is facilitating the opportunity for seniors to age in place with confidence and vitality.
