PUBLIC HEARINGS

- 15. MODIFICATION TO PLANNING CONDITION NO. 24 FOR CONDITIONAL USE PERMIT (2004-66-CUP)** – A modification to Planning Condition No. 24 for the Talk of the Town car wash project (2004-66-CUP) to allow the required masonry separation wall to be constructed in one of three potential locations. The zoning code requires the wall to be constructed on the applicant's property line at the bottom of an adjacent slope. The proposed modification would allow two potential alternatives to permit placement of the wall at or near the top of the adjacent slope. One proposed alternative would allow the applicant to enter into an agreement with approximately nine individual homeowners to pay the cost for the homeowners to construct the

wall at the top of the slope on their properties. The other alternative would allow the applicant to enter into an agreement with the New Traditions HOA to pay the cost for the HOA to construct the wall at or near the top of the slope on HOA property. (File No. 0800-40 2004-66-CUP)

Staff Recommendation: Approve the proposed modification to Planning Condition No. 24 for Conditional Use Permit 2004-66-CUP (**Community Dev./Planning: Barbara Redlitz**)
