Agenda Item No.: 4

Date: August 8, 2012

TO: Honorable Mayor and Members of the City Council

FROM: Christopher W. McKinney, Director of Utilities

SUBJECT: Bid Award for the Manhole Rehab. 2012 Project

RECOMMENDATION:

It is requested that Council determine the sole bid received from Socal Pacific Construction Corporation for \$328,600 is to be a responsive and responsible bid and adopt Resolution No. 2012-142 authorizing the Mayor and City Clerk to execute a Public Improvement Agreement with Socal Pacific Construction Corporation in the amount of \$328,600 for the Manhole Rehab. 2012 Project ("Project").

FISCAL ANALYSIS:

The funds are available in CIP 800319 Manhole Rehabilitation.

BACKGROUND:

The Deputy City Clerk opened the sole bid on July 26, 2012. Due to the nature of this specialized work, there are limited numbers of specialty contractors in the bidding pool. Some of the previously utilized products once used for coating the inside of manholes are no longer accepted by the City Utilities due to their failure. Two substitute products were evaluated by the Utilities engineers during the bid process. Based on the submitted data, the products were found to have significantly lower tensile, flexural and compressive strength with lower adhesion properties than the specified product. The substitute products were not accepted. In order to validate the bid amount due to the sole bid, a comparison was made of the manhole rehabilitation bids from 2008; the last time that this type of work was bid. The average cost per manhole in 2008 was \$4,662 each for 50 manholes. The average cost per manhole in this bid is \$2,968 for 79 manholes.

The Project includes replacement of the manhole ring and covers in the north-bound fast lane of Center City Parkway.

Respectfully submitted,

Christopher W. McKinney
Director of Utilities
