For City Clerk's Use:

☐ **APPROVED** ☐ **DENIED**

Reso No. _____ File No. _____

Ord No. _____

Agenda Item No.: 9

Date: January 16, 2013

TO: Honorable Mayor and Members of the City Council

FROM: Michael Lowry, Fire Chief

SUBJECT: FY12 State Homeland Security Grant Program (SHSGP) Grant Acceptance

RECOMMENDATION:

It is requested that Council accept \$76,487 in funding from the Department of Homeland Security (DHS) for the FY12 State Homeland Security Grant Program (SHSGP). It is also requested that Council authorize the Fire Chief to execute, on behalf of the City, all documents required for the management of this grant and that Council approve the necessary budget adjustment to establish new projects for tracking of these grant funds.

FISCAL ANALYSIS:

The SHSGP is 100% federally funded. No matching funds are required and the City will be reimbursed for all expenditures. With Council approval, the City will receive a total of \$76,487 and funds will be used for the following items:

- \$38,244 – Strengthen Communications Capabilities: Funds will be used to purchase P25 compliant portable radios for police first responders.
- \$11,600 – Enhance Community Resilience: Funds will be used to support training of volunteers and planning activities which will increase public education, information and awareness.
- \$26,643 – Enhance Protection of Critical Infrastructure and Key Resources: Funds will be used to develop and update pre-incident maps to enhance the protection of critical infrastructure.

PREVIOUS ACTION:

On May 14, 2003, Council authorized the Fire Chief to participate in the DHS Homeland Security Grant Program. Council has approved several previous items relating to the SHSGP. Under this multi-year grant program, Council has accepted funds from FY02 through FY11. The most recent Council action was taken on March 23, 2012, when Council authorized the acceptance of the FY11 SHSGP grant.

BACKGROUND:

The SHSGP is multi-year grant program. The City began receiving DHS grant funding in 2003 and funding has continued each subsequent year at varying levels. The FY12 SHSGP is a continuation of Federal funding from the DHS. An example of some items purchased from previous DHS funding for Police and Fire first responders are: Personal Protective Equipment (PPE), breathing apparatus, Hazardous Material bags, boots, gloves, suits, an explosive detection K-9, thermal imagers, chemical and radiological detection equipment, portable and mobile radios (for Police, Fire and Public Works), surveillance equipment for City Hall, and the Police/Fire Mobile Command Vehicle. In addition, funds have also been used for Emergency Operations Center (EOC) exercises and Emergency Management training and planning.

SUMMARY:

The SHSGP funds are intended to enhance first responder safety and readiness when responding to acts of terrorism as well as other natural or man-made disasters. Equipment, planning and training monies provided with these grant funds are invaluable and will improve our ability to respond to numerous types of incidents, whether it be an act of terrorism, a major wildland fire or a building collapse caused by a major earthquake. Without these grants a significant amount of funding from the City's General Fund would be required to meet the needs of these unique types of incidents. The FY12 SHSGP funds will be used to continue strengthening and sustaining the City's preparedness capabilities.

Respectfully submitted,
